

## **Beaconsfield Gallery Vauxhall Community Garden Days – Spring/Summer 2025**

### **Continuing Essential Work in Rewilding and Collective Horticultural Education**

Join us at Beaconsfield on the last Saturday of every month throughout the Summer for our Community Garden Days!

Organised in collaboration with Urban Oasis Plants, Beaconsfield's award-winning Horticulturalist Lucy Gregory and Artisan Composter Andy Vasallo lead a series of thoughtful, engaging, educational and entertaining sessions that are free and fun for all the family.

Sessions typically run from 12:00 – 15:00 unless otherwise stated. Equipment will be provided where possible, but we recommend wearing clothes you don't mind getting muddy!

Upcoming Garden Days will be on:

**Saturday 31<sup>st</sup> May:** Join us for gardening tips with the team from Urban Oasis and learn about healing plant remedies

**Saturday 28<sup>th</sup> June:** Join us for gardening tips with the team from Urban Oasis and make a clay plant pot

**Saturday 26<sup>th</sup> July:** Join us for gardening tips with the team from Urban Oasis and sonic fun with Plastique Fantastique

All of our Community Garden Days are free to attend and are available to drop in. Spaces can also be booked on Eventbrite in advance.

For any questions or enquires, contact: [ellis@beaconsfield.ltd.uk](mailto:ellis@beaconsfield.ltd.uk)

Community Garden Days are possible due to the support of Arts Council England public funding as well as the resources, time and effort generously offered by our volunteers.
